Career Profile

Bachelor of Business student at Deakin University with experience in customer communication, content creation and collaborating in fast-paced environments. Strong communication, problem-solving and organisational skills developed through managing client relationships, coordinating multiple projects and delivering high-quality outcomes. Friendly, reliable and quick to learn, with a genuine passion for creating positive customer experiences and contributing to high-performing teams.

Working at SG Lawyers for a year provided me with invaluable professional experience and allowed me to develop a strong foundation in customer service, administration, and client relationship management. Throughout my time in the role, I regularly communicated with clients from diverse backgrounds, which strengthened my ability to build rapport, understand individual needs, and communicate in a professional and empathetic manner. I also gained extensive experience managing administrative responsibilities, coordinating documentation, responding to enquiries, and ensuring tasks were completed accurately and efficiently. Working in a fast-paced legal environment further developed my organisation, attention to detail, time management, and ability to remain professional under pressure. Overall, my experience at SG Lawyers significantly strengthened my interpersonal and administrative skills and taught me the importance of providing clients with a supportive, reliable, and positive experience.
